AMENDMENT AND RESPONSE

RECEIVED

MAR 31 2003

TECHNOLOGY CENTER R3700

Dear Sir:

20 In response to the Office Communication dated November 19, 2002, please amend the  
above-referenced patent application as follows:

IN THE ORDER OF THE NAMES OF THE INVENTORS:

Pursuant to the attached Petition, please change the order of inventors to list all inventors in  
the following order:

25 --Geoffrey White, Weiyun Yu, Mark Dehdashtian.--

IN THE SPECIFICATION:

Please enter the following replacement paragraphs. Changes are shown in the Appendix.

30 From page 2, line 30, through page 3, line 4, substitute the following paragraph:

BT  
-In a first aspect, the present invention consists in an intraluminal device comprising a first  
tubular graft body and at least a second tubular graft body, each tubular graft body having a length  
and a first and at least a second end wherein when the intraluminal device is disposed within a vessel  
of a patient, a majority of the length of the second tubular graft body overlaps with a majority of the  
35 length of the first tubular graft body.-
